III. ONGOING ACTIVITY REPORTS

1. **RAMP:** 75 online registrants this fall. Will sponsor a spring group of at least 25 at a date TBD.
2. **CHECKPOINT COORDINATOR:** Checkpoint held Nov 21 on Lititz Pike. 358 vehicles. 7 DUI (DUI-D), 8 traffic arrests, 4 other (possession of marijuana, agg. assault, resisting arrest), and 12 warnings. Perhaps Ande Gonzales or Jim Gardill can contact Mark Wilson about POs participating in checkpoints in a capacity that does not involve interaction w/ offenders. Council members have an interest in seeing the process.
3. **WEBSITE/FACEBOOK UPDATES:** Barb will assume responsibility for website updates. Dana provided Missy Wein's email address and notified Missy of changes. Amy or whomever takes mtg minutes can forward them to Barb for review and posting on the website. Facebook continues to be updated on a regular basis. While "likes" haven't really increased, members are sharing FB msgs on their own pages.

IV. FIRST & SECOND QUARTER ACTIVITY (Jul-Sept)

1. D&A College Scholarships: Awarded \$250 to Etown. Expecting an app from Stevens and Mville.
2. Billboard: Run 12/3-31/2012 along 462. Looks GREAT! Dorie saw another that she liked in FL and we're going to try to get a photo of it and consider it for future ad campaigns. "Decide before you Drive!"
3. Begin discussion on DUI Awareness Conference workshops: Focus on Rx and Synthetic Drugs this year. Work shop considerations: "How do offenders circumvent the drug testing process?" "Current caselaw – What is legal, what is not?" "Trends in Use – Rx and Synthetic Drugs" "Defending Arrests – Tricks Defense Attys are Using to Beat DUIs" There was also talk of a workshop/brainstorming session for DUI Class Instructors to attend to share with others what is going on in class these days. Possible presenters mentioned are Marilyn Stein, Elaine Serma, Max Little, Gene Stull, Sam Monismith.

V. ELECTIONS

Present slate: President: Dana Pyne
 Vice-President: Jeff Breckenmaker
 Secretary: Amy Coleman

The slate was approved after a motion from Julie Fitcher and Jennifer Mulroney. All on the slate were elected by unanimous vote.

VI. VOTE ON BYLAW AMENDMENTS (tabled to January meeting)

VII. MISCELLANEOUS BUSINESS

- 1. Barnstormers Update:** Barb presented her finds after recent contact w/ the Barnstormers. We will not longer sponsor a DUI Awareness night. We can reach more people with our money by sponsoring an advertisement in the program. The Council elected to do either a half or quarter page advertisement for the entire season and will also try to sponsor a fan giveaway if funds permit. We'll bring a mock-up to the January mtg, approve it by February and get it to Barnstormers by March.
- 2. Parking Garage Advertising:** We're going to check into a advertisement to be placed in a parking garage in downtown Lancaster. Amy discovered this opportunity for a little as \$30 a month. We might run an ad in months with larger drinking holidays, St Pat's day, Memorial Day, July 4th, etc.
- 3. Fundraiser Update:** We mad \$203 off of the sub sale. Dana gave Dorie a check for the remaining money today. All subs were sold for \$5 except for 22 that were sold for \$4. We also gave 2 away at the DUI conference. We're going to check into a Subway fundraiser since Weaver's limits us to those who work in the general vicinity of the stores. We will continue to consider a candle sale for next year.
- 4. Registered non-profit status (A "MUST DO"):** We'll check into the exact details of achieving this status. Not having it holds us back from getting some charitable funds within our community. The investment we make in paying to get this status will hopefully pay off soon enough.
- 5. Box of "Ribbon of Life" bookmarks:** Dorie has a huge box of Ribbon of Life book-mark-sized slips of paper that need red ribbons attached so that they can be passed out for Red Ribbon Week next November. Dana will get ribbon and pick up the bookmarks from Dorie at AAA in Centerville at nxt month's meeting. He will then have APPS clients cut and stable ribbons to the bookmarks for CS projects.

VIII. NEXT MEETING: Wednesday, January 9 @ 8:30 at AAA, Estelle Drive
