County Public Safety
Training Center

Lancaster County
Commissioners

Lancaster County Drug &
Alcohol Commission

Compass Mark

Established in 1987, the Council's general purpose is to inspire, organize, and fund grass roots efforts to reduce the incidences of DUI-related crashes, injuries, and fatalities.

Much of the Council's focus is to:

- ❖ Provide resources that enhance awareness and promote the responsible use of alcohol.
- ❖ Develop and implement programs that discourage underage drinking and access to alcohol by minors.
- ❖ Encourage environmental and policy change to alter social misperceptions as they pertain to alcohol use.
- ❖ Structure campaigns to educate the citizenry of Lancaster County.

Membership is free and open to the public. The Council is a non-profit, registered 501(c)3, and is funded by a grant from the Lancaster County Drug & Alcohol Commission.

Meetings are held monthly on the second Wednesday of each month at 8:30AM, at Compass Mark, 630 Janet Avenue, Lancaster, Meeting Room B107.

**5 CRN/DUI CREDITS OFFERED FOR
FULL DAY ATTENDANCE**

CLOSING SESSION

“Power On” Motivational Media

You can be stronger. Don't accept just being 'ok' or doing the bare minimum, become stronger. **We fall so that we can learn to 'get back up'**, nobody is perfect! Strength comes from getting back up, attempting to become better. The world is waiting for new leaders, new pioneers, new heroes. Things must change. It's time to raise our standards and discover our true purpose.

It's time to “POWER ON”!

WORKSHOPS

A. Sovereign Citizen Encounters

Sovereign Citizens can be obstinate and persuasive, seemingly cooperative, apparently harmless and downright deadly. They leave you confused, hesitant, distracted, and therefore vulnerable during these interactions. Staying safe is your number one priority. Learn their indicators, ideology, and tactics.

Jim Camp, Dynamic Messages LLC

B. Everything You Wanted to Know About Treatment

Substance Use Disorders can be treated, but the path to recovery is challenging. Good treatment means understanding the full continuum of care from detox to long term recovery management. This workshop will consider types of evidence based treatment, medically assisted treatment and the effectiveness of mandated treatment.

Marilyn G. Stein, MGS Consulting, LLC

Jim Camp
Keynote Speaker

Do You Have Skin In the Game?

Once we believe in the mission of saving, changing and protecting lives, our job becomes a calling and that calling becomes our passion. To accomplish this we must open our hearts and minds to discover if we really have “skin in the game” – examine your level of commitment and motivational tools to strengthen that commitment.

Jim Camp is a nationally recognized authority on traffic safety, law enforcement and prosecution issues. Mr. Camp has served as a trial lawyer and an elected District Attorney in Wisconsin, and Assistant District Attorney General and Traffic Safety Resource Prosecutor in Tennessee. He is the owner of Dynamic Messages LLC; a law enforcement and traffic safety training and consulting firm.

C. Medical Marijuana & Drug Trends

This workshop will focus on Act 16 of 2016—The Medical Marijuana Act. Signed into law on April 17, 2016, the implementation of the program is expected to be complete by early 2018. Discussion will include insight into what medical marijuana is, the legal implications and impact, and what is on the horizon for Pennsylvania. It will also cover some of the most current drug trends,

Trooper John Witkowski, DRE, DUI Field Operations, Pennsylvania State Police

D. Search and Seizure

Vehicle searches are common and are conducted both by seasoned police officers as well as brand new police officers. The topics covered in this course will include PA's Automobile Exception, Canine Searches, Consent Searches, Plain View, Inventory Searches, Terry Frisks, Search Incident to Arrest, and Search Warrants. No matter your level of experience, this course will help you approach a vehicle search in any given situation.

David Drumheller, Esq., Traffic Safety Resource Prosecutor

E. DUI Treatment Compliance Project

This project has the Department of D & A Programs working to ensure quality pre-disposition assessments and treatment services with clinical integrity are being provided for DUI offenders with substance abuse disorder, with accurate and complete reports being made. This workshop will highlight the results of county surveys and program site visits and the best practices developed from that information.

Jerry Spangler, PA Department of Drug and Alcohol Programs
